

Luisana Duarte Armendáriz

Luisana Duarte Armendáriz is a children's author and literary translator raised in Ciudad Juárez, just across the border from the El Paso libraries she visited as a child. She is the author of the winner of Lee & Low's New Visions Award and the translation Premio Campoy-Ada, *Julieta and the Diamond Enigma*, and its newest mystery, *Julieta and the Cryptic Rose*. Her interactive school visits invite young readers to **explore mystery writing, art, research, language, and the process of turning an idea into a published book.**
